

VOLUNTEERS NEEDED:

PARTICIPATE IN PROJECT UPLIFT - AN 8-SESSION GROUP TELEPHONE PROGRAM

Morehouse School of Medicine and Emory University researchers are seeking volunteers to participate in Project UPLIFT, a weekly telephone-delivered intervention for Blacks living with epilepsy/seizure disorder.

You can participate if you:

- Are African American or Black
- Are 18 years old or older
- Were diagnosed with epilepsy/seizure disorder by a healthcare provider at least 3 months ago

What we will ask you to do:

- Join a 28 to 30-week project including:
- 8 weekly group telephone sessions for an hour
 - Weekly or monthly check-in calls
 - Participate in 4 survey sessions by phone

If you choose to participate you will be compensated for your time.

Questions? Please contact project staff at 404-756-8848 OR epilepsystudy@msm.edu
